ABOUT

INDIAN MEDICAL ASSOCIATION - MAHARASHTRA STATE - SOCIAL SECURITY SCHEME

Some years ago, the think tank of IMA, Maharashtra St. formulated a scheme "IMA - MS - Social Security Scheme"... Generally, we all have LIC Policies, primarily to cover the risk of premature death & reduction in tax liabilities. The similarity between LIC & the scheme ends there.

The scheme not only gives, the tax benefits & covers the risk of uncalled for death but also takes care of the mental & /or physical disability due to which doctor can not persue the medical practice permanently, the benefit payable even if member alive.

The member has to contribute for 25 years for the deaths occuring every year. He will not pay for the deaths after that. (He will only pay the annual subscription) & he will be a continuous member of the scheme till death or complete permanent physical / mental disability .

Since the number of members keep rising, the Doctor, who continues in the scheme for more than 25 years is also monetarily benefited. He does NOT contribute anything then, but benefit amount keeps on rising, proportionate to the membership.

The money collected in the scheme, is invested only in financial instruments allowed by the Charity Commissioner.

HOW DOES THE SCHEME WORK ?

ELIGIBILITY :- Life member of IMA of any local branch of Maharashtra State up to the age of 60 years.

RULE FOR BENEFIT :- Benefit of Fraternity Contribution of the scheme is available after completion of one year of membership of I.M.A. - M.S. - S.S.S. However nominee of member is entitled for such benefits if death of member occurs in accident even within one year of joining the scheme.

IMA - Life Member wishing enrollment pays 1. Rs. 3,000/- as Advance Fraternity Contribution, which is returned (without any interest) after death. 2. The Admission Fees are paid according to the age group (see the table). 3. Annual Subscription for 2 years.

The date of registration shall be on the acceptance of the documents and payments as per the schedule, subject to realisation of cheque. Incomplete documents will result in delay in enrollment.

Every year in month of April Rs. 100/- per Death X No. of Deaths in year = _____ + Rs. 100/- prevailing Annual Subscription = Total Rs. _____. A demand note is sent to every member. This money is known as "Fraternity Fund Contribution" (FFC). Rs. 70/- of this is paid to the nominee of the deceased member & Rs. 30/- goes to form a Corpus. The interest of this corpus will take care of the FFC payment of the doctors who have survived & paid Contribution for 25 years in the scheme and who are not needed to contribute thereafter.

The nominees of deceased members during 1st April 2011 to 31st March 2012 received Rs. 3,79,610/- +3000/- refund of Advance Fraternity Contribution. From 1st April 2012 to 31st March 2013 The DFC amount will be Rs. 3,90,180/- + Rs. 3000/- of advance FFC deposit = Rs. 3,93,180/-

FOR EACH OF US IT IS A SMALL STEP, BUT FOR OUR DEPENDENTS IT WILL BE GREAT HELP.
